

# WHY buy a used luxury pre-owned vehicle?

## Save Time and Money

At **Pars Cars**, we have been helping people get into the luxury pre-owned vehicle of their dreams for 20 years. Buying a pre-owned vehicle is a wise decision because you will save time and money.

• **Avoid new car depreciation:**

A majority of new cars depreciate in value up to 15% the minute they are driven off the lot. Used vehicles depreciate at a much slower rate.

• **Get more bang for your buck:**

Because you aren't paying sticker price for a pre-owned vehicle, you can afford much more for your money.

• **Enjoy low cost:**

Since we are a buy-here pay-here dealership, we can offer low down payments and low monthly payments\* with easy financing and approval. If you work, you ride! Simply bring proof of employment, utility bill, valid driver's license, and 6 references.

• **Vast inventory:**

With over 500 pre-owned cars, trucks, vans and SUV's in stock, we have something for everyone. Options include economy, luxury, foreign, and domestic vehicles.
